25X1 5. [ ] Personnel, referred to  
me a telephone call from Miss Nixon, in the office of Representative  
25X1 Robert M. Glavin (D., Conn.), concerning [ ] an  
applicant for a position with the Agency. I advised Miss Nixon that his  
25X1 application was under consideration but that additional information would  
be required and we would be in touch with [ ] I told her I  
25X1 could give her no indication at this time as to when we would have an  
opening for him. [ ] failed to give details on his application  
concerning an arrest on a disorderly conduct charge.)

25X1 6. [ ] I met with Mr. Frank Tavenner, of the House  
25X1 Un-American Activities Committee staff, concerning the possible avail-  
ability later this month of [ ] who  
[ ] The period between 21 and 23 May  
for appearance in executive session was suggested. Mr. Tavenner  
was shown an unclassified copy of a biographic sketch but the sketch was  
not left with him.

Mr. Tavenner was obviously quite pleased by the prospect and  
indicated that in his judgement he has the best Committee staff now that  
has ever been available to that Committee and any information we desired  
held in executive confidence he could insure would be withheld from publication.  
As Mr. Tavenner will be away from the office Monday and possibly Tuesday  
of next week, we will be back in contact with him upon his return.

25X1 7. [ ] Met with Jay Sourwine, Senate Internal Security  
25X1 Subcommittee staff, concerning the possible availability [ ] for  
appearance before the Subcommittee in executive session. As Mr. Sourwine  
is unable to determine such matters within the Subcommittee, he indicated he  
would take the matter up later in the day with Senator Eastland. A copy of  
the unclassified biographic sketch was left with him. Sourwine will be back  
in touch with us on this on Monday or Tuesday of next week.
